Another month and another show!

As you can tell we've got a lovely show planned with stellar judges!

Can I please ask that when you send in your entries you put the class numbers on just so my poor brain doesn't get over stretched and if possible posted or emailed.

Hoping to something different for lunch time with either a buffet or bbq though this is still in the planning stage.

The hall will be open from 7am if I get out of bed in time so every help to set up will be greatly appreciated.

There will be no sale pens this show due to lack of space but there will be a notice board to advertise any pigs you've got but it will be your responsibility for selling them.

Hope to see you all there
